DOW seeks applicants for construction management division

LIHUE – The Department of Water (DOW) is now accepting applications for a full-time Project Manager and a full-time Waterworks Inspector I, for the construction management division. Detailed job descriptions and applications are available on the Department of Human Resources website at www.kauai.gov/HumanResources.

A Project Manager plans, organizes, reviews and evaluates the work of staff and activities related to assigned DOW projects. The position coordinates activities of assigned projects with other County or associated agencies. Applicants must have a combination of education and experience substantially equivalent to graduation from an accredited college or university with major work in project management, engineering, construction administration or a related field; and supplemented by two years of experience that demonstrated competency in project management, budget administration, contract administration and responsible experience in the area of water construction/civil engineering projects. Recruitment for this position is ongoing.

A Waterworks Inspector I inspects various phases of waterworks construction projects to ensure compliance with plans, specifications and agreements of work. Applicants must have a combination of education and experience substantially equivalent to graduation from high school and three years of work experience in the inspection or supervision of workmanship and materials in construction work, one of which shall have involved pipeline installation or other related waterworks construction or installation work. Applicants must be capable of using a personal computer. Recruitment for this position is ongoing.

The Department of Water, County of Kauai is an equal opportunity employer. Interested individuals are encouraged to apply by visiting the Department of Human Resources website, www.kauai.gov/HumanResources.

For more information or to request an ASL interpreter, materials in an alternate format, or other auxiliary aid, call the Department of Human Resources at 241-4956.
